**B-Well Health & Social Care Group provides Integrated Falls Prevention Service in Milton Keynes which includes assessment, treatment and advice to older people in a supportive environment. If needed, you will receive equipment to help you and you will be referred to our exercise classes, which help to improve your strength and balance there by your mobility and confidence.**

### **The service**

The service is delivered in your own home or residential setting. This enables us to best assess your needs in your regular environment, which can help reduce your risk of falling

### **How are referrals made to the MK Falls Prevention Service?**

We accept referrals from:

- GP's
- Milton Keynes health and social care professionals
- Yourself or your carer(s)
- Friends and family members

If you are having difficulty with everyday activities or mobility it is possible to refer yourself, or get referred through your carer(s).

A member of the team will discuss your needs with you and if necessary we will book an appointment for you.

### **Appointments**

When Milton Keynes Falls Prevention Services receives your referral, you will be contacted by one of our team based on the information which has been provided.

Our team member will gather information about your medical history and how you are managing your everyday activities. We may also complete a range of tests including bloods, urine, blood pressure, balance, etc.

Following this assessment we will identify your aims and will refer you on to a member of our team to improve your health, wellbeing and independence.

Our team consists of the following health care professionals:

- |                           |                        |
|---------------------------|------------------------|
| • Nurses                  | • Exercise Instructors |
| • Physiotherapists        | • Volunteers           |
| • Occupational Therapists | • Administration Staff |

If you are identified as having higher level health needs, we will refer you on to the Staying Steady Team, Falls Prevention Service based at Bletchley Therapy Unit, provided by CNWL.
